

****IF YOU ARE REGISTERED FOR PRE-ACADEMY, YOU DO NOT NEED TO ORDER A UNIFORM****

Hello everyone! We are so excited for this Spring season! Thank you again for your patience and commitment to our club and this game over these last few months.

We've partnered with Soccer.com so you will purchase your SKY Soccer Jersey directly from our Soccer.com online store AND it will be delivered directly to your home! You can also purchase some really cool SKY Soccer Fan Gear at our custom Soccer.com Team Store.

How to order Recreational Uniforms

You can now view the Team Store and order your uniform. These do need to be ordered **ASAP** to ensure they get to you as quickly as possible.

To order your uniform you will need to do the following:

1. Click here to go to the Southern Kentucky Soccer Club - Rec team shop site.
<https://www.soccer.com/club/#/2001991361/required>
2. Please choose "**Rec Kit 2024-26**".
3. Next, fill in your child's last name. *Please note that no names or numbers will appear on your player's uniform.*
4. There will be three tabs at the top labeled "**Uniform Kit**", "**Recommended**", and "**Fan Wear**". Please choose "**Uniform Kit**".
5. Once you have selected your size for the White AND Blue uniform shirt and select "Add to Cart" at the bottom right hand side of the screen. Recommended items will then pop up on your screen if you wish to order shorts and socks or other soccer items.
6. Be sure to browse our fan wear before you choose to checkout.
7. Once you are finished with your selections, click the shopping cart at the top to checkout.

Under the circumstances (Soccer.com time constraints) it is very unlikely uniforms will arrive before the start of the season. If you do not have a uniform that you can wear until yours arrives, you can wear any white or blue shirt.
